

CLIENT MEMO

Date: February 22, 2017

Dear Valued Clients,

Effective February 27, 2017, in a continuing effort to optimize our offerings, these changes will be made.

- The following test code will be discontinued:
 - CFTR-Related Disorders Mutation Panel - Prenatal Diagnosis (TC 7601)

Please direct any questions to 1-800-411-GENE or email us at geneticstest@bmgl.com. Please visit our website at www.BMGL.com for additional information on our test offerings.

Sincerely,

Alan Pourpak, PhD, MBA
Director, Product Development and Strategy
